NEW AMENDMENTS:

A. Status of Detained students

Following amendments have been approved for status of detained students in any semester

a. An academic year consists of two semesters (Odd and Even semester) comprising of 15 to 18 weeks of academic work equivalent to 90 actual teaching days.Attendance of the student shall be counted from the date of admission in the college or start of academic session whichever is later in a given semester.

b. Students detained in ODD semester shall be given an option to choose either to discontinue the study in Even semester and abandon the entire academic year (both semester) as laid down in clause 9.3 and repeat the entire year course in the next academic year OR to abandon only the ODD semester as laid down in section 9.3 of the ordinance. If the student chooses to Abandon the relevant semester only, he/she shall be further governed by the clause 9.4 and 9.5 of the ordinance.

c. If such a student abandons only the ODD semester performance and prefers to study in EVEN semester and attains the minimum credits to meet the eligibility for promotion as given in clause 10.2 (From the performance of only EVEN semester), he/she then have to study only the ODD semester (in which the student was detained) in the subsequent academic year as a re-admitted student. If he fails to get minimum credits required for promotion in EVEN semester he will be considered FAIL in entire year and will have to repeat both semester in the subsequent year.

d. Students detained in EVEN semester shall be given an option to choose either to abandon the entire academic year (both semester) as laid down in clause 9.3 and repeat the entire year course in the next academic year OR to abandon only the EVEN semester as laid down in section 9.3 of the ordinance. If the student chooses to Abandon the relevant semester only, he/she shall be further governed by the clause 9.4 and 9.5 of the ordinance.

e. If such a student abandons only the EVEN semester performance then it will be verified whether he/she has attained the minimum credits required to be promoted to next year as given in clause 10.2 (From the performance of only ODD semester). If he/she did then he/she have to study only the EVEN semester (in which the student was detained) in the subsequent academic year as a re-admitted student. Otherwise he/she will be considered fail in entire year and will have to repeat both semester in the subsequent year.

For example:

If a student is detained in 3rd semester of academic session 2017-18, he shall be allowed to study 4th semester as given in clause10.1. If the student scores 24 credit in 4th semester then he fulfills the promotion criteria laid down by clause 10.2. He shall then take admission as re-admitted student in academic session 2018-19 in 3rd semester and complete the requirements of 3rd semester in odd semester of 2018-19. After the odd semester examination his 2nd year result (YGPA) shall be declared. However, the student can take admission in 5th semester only in the next academic year i.e. 2019-20. Similarly, if a student is detained in 4th semester of academic session 2017-18 and if the student has scored 24 credit in 3rd semester then he fulfils the promotion criteria laid down by clause 10.2. He shall then take admission in 4th semester as re-admitted student in academic session 2018-19 in 4th semester and complete the requirements of 4th semester in even semester of 2018-19. After the even semester examination his 2nd year result (YGPA) shall be declared. However, the student can take admission in 5th semester only in the next academic year i.e. 2019-20.

B. Method to convert the of results of students who were admitted in non CBCS system however due to failing in any year now studying as re-admitted student in CBCS system.

It was proposed that the old examination of result of such students shall be converted to grading system by the computation of SGPA, YGPA and CGPA methods as laid down in section 14.1 and 14.4 of the CBCS ordinance implemented in University since academic year 2016-17. However, if a student who was declared PASS is old system and as per the calculation of CBCS

system if the SGPA of the student falls below 5.0, such student shall be exempted from minimum criteria of SGPA in a given semester.

C. Provision of registering for carry over in practical subjects having no ESE components.

The students can register for carry over in the practical subjects having no ESE components in case they score grade "F" in that subject.
