Call for PAPERS

3rd International Conference on

COMPUTATIONAL & EXPERIMENTAL METHODS IN MECHANICAL ENGINEERING (ICCEMME-2021)

11th - 13th February, 2021

Organized by: Department of Mechanical Engineering

Some of accepted high quality papers will be proceeded for publication in
SCI/SCIE/SCOPUS INDEXED /ESCI/ CPC-I
Journals, Book Series and Proceedings...

**Online Presentations will be
accepted due to COVID-19**

Conference Theme

Authors are requested to send their original unpublished papers based on research work/field experience in the categories listed below: However, any other topic relevant to the theme of the conference shall be welcomed.

Track 1 : Thermal Engineering

Track 2 : Design Engineering

Track 3 : Materials and Manufacturing Engineering

Track 4 : Industrial Engineering

Topics are not limited.

- **Plagiarism is a criminal offence.** It must be less than 20% or as per the Journal requirement.
- **E-certificate will be provided to all participants and attendees of the conference.**

Conference Objective

The aim of ICCEMME-2021 is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in Mechanical Engineering. Please explore the conference website for more details, check important dates, and keep yourself updated as per changes.

Note:

1. Submitted papers will be peer reviewed by experts. The papers accepted and presented successfully in ICCEMME-2021 will be proceeded for publication in various journals and proceedings. The papers will be submitted through easychair link as given below: <https://easychair.org/account/signin?l=Wkfn2RrwludXwEHmrLpjwN#>
2. There is no specific format for paper submission in ICCEMME-2021 (Maximum 10 pages per manuscript). However, once the paper is accepted in conference and proceeded for publication, the author(s) will have to restructure the paper to meet **all guidelines and standards** of the journal. (For more details, you are requested to visit following website: <https://www.glbitm.org/iccemme-2020/journals.asp>)
3. The link for Paper submission in **Materials Today: Proceedings** is as given below: <http://ees.elsevier.com/MATPR/default.asp>
4. The organizing committee reserves the rights to decide the publication journal for papers accepted in ICCEMME-2021. The corresponding authors will be informed about the same.
