About the Institute

Noida Institute of Engineering & Technology (NIET), Greater Noida is a self-financed institute which offers high quality education to the students from all corners of the country. The eminent visionaries of City Educational & Social Welfare Society, Meerut, started NIET with a vision to provide value based higher education. NIET has been ranked among top 100 institutes in India, **5th in UP** and **1st in Greater Noida** by **NIRF (2016)**, MHRD, Government of India. NIET is **NAAC** accredited (**'A' grade**). Four graduate programs of the institute are also **NBA** accredited (CSE, ECE, ME and Pharma).

The Institute aims at recognizing, respecting and nurturing the creative potential of its students. The teachers are trained to foster a healthy learning atmosphere. They make continuous effort to improve education methodically with dogged perseverance. The institute excels in all the parameters earmarked by AICTE, MHRD, Govt. of India and Dr. A.P.J. Abdul Kalam Technical University, Uttar Pradesh, Lucknow, India.

The Institute has a sprawling area of 13.90 acres with verdant greenery coupled with modern infrastructure and modern amenities. The campus has a comfortable and inspirational atmosphere conducive to create an excellent aura for learning.

About the Department

Information Technology department has been imparting quality education and training to the students with a major focus in programming languages and paradigms, Data Mining and Warehousing, Web Technology, etc which help

the students to compete with the recent developments in the IT industry. The department is continuously striving for academic excellence through its qualified faculty that is rich in experience and pedagogical skills. Additionally the students are provided with the opportunity to meet the experts from industry and academia by the way of industrial visits, conferences, seminars and exposing them to various technical contests.

Objective of the FDP

The objective of the FDP is to bring together the experts from industry and academia to exchange their innovative research and share their experience in the field of Machine Learning.

The FDP is intended for the faculty of AKTU affiliated institutes. It will eventually open opportunities for collaboration among industry, universities/institutes of National/ International repute to foster synergic partnerships.

Organizing Committee

CHIEF PATRON

Prof. Vinay Pathak, VC, AKTU, Lucknow
Dr. Sarojini Agarwal, Chairperson, NIET, Gr. Noida
