About JSSATE,Noida

JSS Academy of Technical Education Noida (JSSATEN) is one of the leading Technical Institutions in the National Capital Region in the State of Uttar Pradesh. Established in 1998, JSS Academy of Technical Education enjoys the reputation of being one of the premier institutes, imparting quality education in the field of Engineering and Management. It is affiliated to Dr A.P.J Abdul Kalam Technical University, Lucknow. JSS has become a household name for its excellence in Discipline, Teaching, Training and Placement. The Academy has been awarded top rankings by many agencies including Hindustan Times. JSSATEN is an Institution with a difference where emphasis has been laid on the principles of harmonious living, high morals and ethical values besides excelling in technical & management subjects.

On 2nd Oct 2017 the Academy has been awarded as Most Clean Campus in Northern India in "AICTE – CLEAN CAMPUS AWARD 2017 and at National Level the Academy has been placed at 7th position.

About the Department of Management Studies

The Department of Management Studies at JSSATE Noida greatly enriches the educational experience of MBA students by providing a host of opportunities for interaction with one another and with faculty beyond the classroom, here you will learn from guest speakers, and leaders of industry. The Management program at JSSATEN is geared towards engineers who want to stay in a technological environment, but focus on managerial roles. They learn managerial skills to help organize and supervise people from different cultures and backgrounds so as to maximize teamwork, creativity, and productivity, and to do so in an environment of global awareness and concern for ethical issues.

About the Program

In recent times, Entrepreneurship has become an important area of study. It is considered to be a solution for creating wealth, creating employment and providing new goods and services. Today most of the corporate leaders are looking for individuals who have an entrepreneurial mind set and majority of the professional institutes are planning to launch training programs in entrepreneurship.

Digital India programme helps the new and experienced entrepreneurs to know about the tics and tats of the global market. The global reach of the Indian companies is eventually elevating the growth rate of the country. Digitization has encouraged millions of young minds to come up with new ideas while giving confidence to the investors to seek partnership with the start-ups. This has further lowered the cost in terms of timing. Digital India is a much-needed change that this country of youths has been longing for.

This Faculty Development Program (FDP) is designed to train and develop professionals in entrepreneurship development and Digital India so that they can act as resource persons in guiding and motivating young minds to take up entrepreneurship as a career.

Objective of the Program

This Faculty Development Program (FDP) is designed to train and develop professionals in entrepreneurship and the relevance of Digitalization of Indian economy in the present era of Globalization so that they can act as resource persons in guiding and motivating young minds of the country to take up entrepreneurship as a career while taking advantage of the digitalization of the Indian Economy. In the FDP, faculty members from AKTU affiliated colleges belonging to different disciplines will be trained.
