

ABOUT MIET: The flagship Institute of the group, Meerut Institute of Engineering & Technology (MIET), has officially been ranked as the 4th best Engineering College in Uttar Pradesh by AKTU. The MIET Group has affiliations with AKTU, Lucknow; CCS University, Meerut; UTU, Dehradun; and Kumaon University, Nainital. The institutions have been approved by the concerned statutory bodies such as AICTE, Board of Technical Studies, Lucknow, and NCTE. Currently, the Group employs around 1,000 staff members working with more than 6,000 students. The Institutes offers different technical courses such as MBA, PGDM, MCA, M. Tech. BT, CSE, Digital Communications and M. Pharma in Pharmaceutical Chemistry, Pharmaceutics and Pharmacology, B. Tech. in BT, CH, CSE, CE, EC, EE, IT, ME and B. Pharm. Presently, MIET is flourishing under the leadership of Shri Vishnu Saran, a great visionary, who is carrying on the dream philanthropic project nurtured by his father, the Founder-Chairman of MIET Group Late Sri C.S. Agarwal. He strongly believes and follows the four golden principles for success laid by the honourable Late Smt. Indira Gandhi ji – *Foresight, Hard Work, Determination and Discipline.*

ABOUT The Department: Department of CSE was established with the aim of giving quality education. It is an academic center for education, research and creativity in key areas of Computer Science. Department is equipped with labs, Seminar hall with well-qualified and learned faculties having specialization in different computer domain. It empowers students to have excellence in scientific education, technical education and research to serve as a valuable resource for industry and society. Our department promotes collaboration with industry such as IBM, Wipro and TCS for achieving better integration of theory with practical. Department offers industrial visits and personality development courses to fulfill the gap between industry and academics. Department is empowering students by providing emerging technologies used in Industry like SAP, RedHat, Adobe, Salesforce, embedding programming, Cyber Security, AI, Machine Learning, BlockChain etc.

THE CONFERENCE

The Third International Conference on Big Data and Computational Intelligence (ICBDICI'20) will be held at MIET, Meerut INDIA on 20-21 March 2020. The two-day conference will include invited keynote and oral presentations. ICBDICI will provide a forum for researchers and engineers in both academia and industry to exchange the latest innovations and research advancements in Innovative Computing, Communication and Engineering. ICBDICI also provides the attendees the chances to identify the emerging research topics, as well as the future development directions. Prospective authors are invited to submit full (original) research papers; which are NOT submitted or published or under consideration anywhere in other conferences or journals.

CALL FOR PAPERS

Original contributions from researchers describing their original, unpublished, research contribution which is not currently under review by another conference or journal and addressing state-of-the-art research are invited to share their work in all areas of Smart and Innovative trends. Accepted papers will be published in the proceedings. At least one author of each accepted paper is required to register and present their work at the conference; otherwise, the paper will not be included in the proceedings. Best Paper/Demo Awards will be presented to high-quality papers/demos.

- ◆ Computational Intelligence in Big Data
- ◆ Computational Intelligence for Wireless Systems
- ◆ Computational Intelligence in Internet of Everything
- ◆ Computational Intelligence in Vehicles and Transportation Systems
- ◆ Computational Intelligence in Remote Sensing

- ◆ Computational Intelligence for Engineering solutions
- ◆ Computational Intelligence in Image and Pattern Recognition
- ◆ Computational Intelligence Applications in Smart Grid
- ◆ Computational Intelligence in Control and Automation Control and Decision
- ◆ Computational Intelligence in E-governance
- ◆ Computational Intelligence in Cyber Security

INTERNATIONAL ADVISORY

- Dr. Vincenzo Piuri, University of Milano, Italy
- Dr. S N Singh, IIT, Kanpur
- Dr. Dan M. Ionel, University of Kentucky, USA
- Dr. Durga Toshniwal, IIT, Roorkee
