Multiplex at Lucknow

Preamble :

With the advent of branded consumer products, the whole gambit of how we used to shop around has undergone complete transformation, especially in Lucknow. To give consumer a better value for their money, a shopping centre in the present context per force has to offer added facilities
where shopping, recreation and businesses simultaneously – under one roof, as far as the family is concerned. As a result of which the concept of multiplexes has been on the rise in Lucknow. People have accepted the idea of multi-activity centers as an efficient and appropriate concept in the life style of a growing Lucknow for better time management as these have tended to offer facilities to all members of a family and individuals can perform chores according to their likes and differing choices. The said multiplex proposes to have activities of interest for all age groups and cater to various tastes, central to which will be a number of cinema halls but besides this recreational activity it will include eating places, book stalls, show-rooms, a bowling gallery and gymnasiums and health clubs.
